WEAR YOUR LEGACY

ABOUT BRIZ LEAVERS

Briz Leavers is part of **Briz Apparel Group**, an Australian apparel group dedicated to creating premium custom school uniforms and leavers apparel.

OUR STORY

Briz Leavers began in Brisbane in 2015 with a simple goal — to make the Year 12 SENIOR experience easier for schools and more meaningful for students.

What started as a small local business has grown into a trusted name across Australia, specialising in custom-designed leavers polos, jumpers, jackets, hoodies and more.

We work closely with schools of all sizes to create apparel that students are proud to wear and keep as a reminder of their final year of primary school. Our focus has always been on quality, creativity and doing things the right way.

*Wear
Your Legacy*

WHAT YOUR LEGACY MEANS TO US

Every school has a story — a history, a culture, a community and a place that makes it unique.

Through our **Wear Your Legacy** promise, we take pride in bringing that story to life in every design.

We incorporate your colours, your values, your traditions and wherever possible, elements of your local identity into a design that is truly yours.

Every design is unique. Every detail is personal.

Because when students wear their leavers apparel, they're not just wearing a shirt — they're **wearing their legacy** with pride.

We believe School Leavers garments are more than apparel — it's a lasting memory of friendships, fun, achievements and the next exciting chapter.

Thank you to the many schools across Australia who trust Briz Leavers year after year.

We look forward to helping your next Year 12 group create their legacy.

TESTIMONIALS

Today we handed out our Senior 2026 Jerseys, and it was a huge hit! Everyone loves it and the students are commenting on how comfortable they are. Yes, even in this heat they are proudly wearing their jerseys.

We had an excellent experience working with Briz Apparel for our Year 12 senior jumpers in 2026. The team was easy to communicate with, providing prompt and clear responses throughout the ordering process. The delivery deadline was met without any issues, and the jumpers themselves were of high quality, meeting our expectations. Their professionalism and support have made the entire process smooth and stress-free. Based on our positive experience, we look forward to working with Briz Apparel again in the future.

Thank you so much for your prompt delivery, it is wonderful to be able to start the new year with the jerseys. The quality of the jerseys is great.

Our students are all very happy with the sizing, the fabric and how their senior jersey looks this year. There were lots of smiles and laughter the day they received their jerseys. Thank you, this is a wonderful experience.
